

PETRON PLUS™ FORMULA 7

PETRON PLUS™ FORMULA 7 POWER STEERING FLUID & SUPPLEMENT

▶ **PART NO.'S: 14010-11oz.**

TECHNICAL DATA SHEET

Petron Plus™ Formula 7 Power Steering Fluid & Supplement, is formulated for all power steering systems, and is made from a unique formulation of the highest quality petroleum base stocks available fortified with Petron Plus™ Formula 7 state of the art additive technology to enhance oxidation resistance and provide maximum protection against wear, rust, and corrosion.

Petron Plus™ Formula 7 Power Steering Fluid & Supplement is a multi-purpose super lubricant designed for general maintenance use, from automotive, truck use to heavy industrial fleet applications.

It's has a super lubricating film that coats and penetrates metal surfaces to provide the longest-lasting lubricating action available.

Petron Plus™ Formula 7 Power Steering Fluid & Supplement can be used in any vehicle, marine, farm, earth-moving, off-road equipment.

Available in 11 ounce bottles.

APPLICATIONS:

1. All types of power steering systems:
 - A. Cars
 - B. Trucks
 - C. Recreational Vehicles
 - D. Commercial Fleets
 - E. Earth-Moving Equipment
 - F. Off-Road Equipment
 - G. Marine Equipment
 - H. Agricultural Equipment
 - I. Race Cars

FEATURES:

1. Superior petroleum base stocks and superior additive technology.
2. Compatible with all seal materials, plastics, and paints.
3. Superior antiwear properties.
4. Excellent protection against rust and corrosion.
5. Outstanding oxidation resistance and thermal stability.
6. Helps quiet squeals
7. Helps protect against wear.
8. Compatible with factory fill fluids.
9. Meets service requirements of nearly all automobile manufacture.

BENEFITS:

1. Reduced maintenance costs.
 - a. Reduced component wear.
 - d. Decreased "down time" to replace oil and parts.
2. Super Lubricant.
3. Long lasting film lubricant.
